MGT-414—Advanced Critical Infrastructure Protection Training

April 20, 2016 • 8am to 5pm each day

Heartland Preparedness Center • 2808 N. New York Street, Wichita, KS

In this course participants will enhance their skills to formulate considerations for the resiliency of jurisdictional assets leveraging cross-sector partnerships. These considerations will enhance the whole community's ability to manage the risk associated with Critical Infrastructure protection efforts. The course will implement the National Preparedness Goal by facilitating the development of Resiliency Action Plans, involving all jurisdictional critical infrastructure partners. Upon completion of this course, participants will be able to increase infrastructure owner-operator participation in jurisdictional planning, organizing, equipping, training, and exercising critical infrastructure protection efforts.

Individuals completing this course, in combination with AWR-213, MGT-310, and MGT-315, are awarded the TEEX Infrastructure Protection Certificate.
